A Note re: Bank account vs. Credit Card donations

- A) SFC encourages faithful tithing and generous giving as taught in the Bible. We do not encourage borrowing via credit cards for any expenses you cannot afford to pay currently.
- B) The church incurs a significant cost (typically 3-4%) to receive credit card payments (In other words - your airline miles or hotel points aren't free - we pay for them). We strongly encourage you to do all of your donating through a method other than credit card.
